## □Our Staff□

We employ only qualified healthcare professionals to provide services to our valuable clients, whether they are working in a home environment or in a facility. These healthcare professionals complete a stringent employment process to ensure the delivery of quality service and safety of our valuable clients.

All our employees are carefully selected. We do a criminal background check, and carefully check all references. We make sure that our selected employees have current physical exams, and Tuberculosis screenings. We also ensure they are CPR certified and proper job orientation is performed before their first assignment.

All medical personnel are supervised by a Registered Nurse (RN).
